

May 5, 2021

Dear People of St. Luke's,

Sunday, May 16<sup>th</sup> will be a joyful celebration as we mark the return to Sunday Eucharist in the sanctuary! Return to public worship is only possible if we continue to abide by social distancing standards and public health precautions including wearing masks. We appreciate your cooperation following these guidelines:

1. Attendance will be limited to 85 people.
2. No gathering for coffee hour before or after the service. If you would like to chat, please do so outdoors with masks on.
3. No congregational singing (humming is ok). We will have hymns sung by a cantor (sometimes clergy) and accompanied by organ or piano.
4. Masks will be required throughout except when receiving communion.
5. The peace will be shared at a distance with nods, waves, air-fives, and other creative means
6. The Eucharist will be distributed from the center aisle in front of the choir area in one-kind only.
7. Pews will be marked to allow for seating only every other pew.
8. Please use hand sanitizer provided at the entry and prior to receiving communion.

In Christ's Peace,

Seth+
